BOARD OF TRUSTEES MEETING MINUTES

A) Updates on 2022-2025 Strategic Plan – Goal 1 (Diversity and Commitment) Dr. Beardmore's latest newspaper/website article "A World of Difference" has been published. It included an invitation to Taste of Culture scheduled for 5-7 pm on April 11; Goal 2 (Enrollment, Retention, and Graduation/Completion) Dr. Beardmore participated in the Carlsbad Municipal Schools Strategic Planning/Profile of Student Success session on March 19; Goal 3 (Community Engagement and Economic Enrichment) Met with Jobs for America's Graduates New Mexico Executive Director Kaity Parent and Board Member Toni Balzano about opportunities for collaboration; hosted Carlsbad Municipal Schools Superintendent Dr. Gerry Washburn for his presentation on the mail-in Bond Election; presented to Leadership Carlsbad and conducted a campus tour; with Dr. Ned Elkins and Dr. Monty Harris hosted a discussion with eight representatives from Los Alamos National Laboratory; met with the New Mexico leadership team of Goodwill Industries; attended celebration events for the Waste Isolation Pilot Plant (both on-site and at the Carlsbad Events Center); attended "Taking the Pentagon to the People" at the New Mexico State University main campus in Las Cruces where SENMC was recognized by the New Mexico Higher Education Department Secretary, Stephanie Rodriguez; hosted the Permian Energy Lab event at SENMC (one of two in the Permian Basin); visited the Pre-K program at Midland College; and attended the Fourth Annual Education

Partnership of the Permian Basin Summit in Midland, Texas; **Goal 4 (Building, Facilities, and College Foundation)** met with the architects contracted by Nine Degrees who will be developing the first SENMC Master Plan; met with Gary Martinez and the on-site manager for the HVAC project Kick-Off meeting; visited the Nine Degrees office in Sunland Park, New Mexico; and **Goal 5** (Independence of SENMC) submitted report to the Higher Learning Commission Focused Visit

Team in advance of the site visit scheduled for April 29-30. The Site Team have requested a lunch with the Board of Trustees on April 29. Dr. Beardmore asked the Trustees to advise whether or not they can attend and asked for lunch orders.

Trustees are also asked to be available from 1-3 pm on Tuesday, April 23 for training from the New Mexico Higher Education Department.

Vice President of Academic Affairs candidate on-campus interviews start on April 9 and will conclude on April 16.

Dr. Beardmore updated the Trustees on a recent budget discussion and the decision not to increase tuition. Further, he advised that a notice from the Secretary of Higher Education is urging against tuition increases.

10) Old Business:

A) Gentle Refresh of College Logo-Dr. K Beardmore

Dr. Beardmore presented the new logo design. It includes adjusting the kerning between the letters, moving the building outline to start above the "N" instead of the "M," extending "Southeast New Mexico College" underneath the logo so it is the same length as the logo, and removing "EST 1950". Additionally, the new design was presented using the current colors and the proposed new colors. These new colors were selected because they provide the proper contrast between a true copper and a true turquoise. Dr. Beardmore said if approved the college will not start paying money to switch everything; SENMC will start using it on all future items and bringing back the sign discussion.

Motion: Mark CageSecond: Ned ElkinsNays: 0Abstain: 0Bowman, Cage, Elkins, Murrill, and Frintz voted in favor of the motion.

B) Recognize Khush Ghadiali-Dr. K Beardmore

Dr. Beardmore read a letter expressing gratitude and appreciation to Khush Ghadiali for his pro bono work in creating Southeast New Mexico College's logo and thanking him for his continued support of the college.

11) New Business

A) Capital Outlay Projects - Dr. K Beardmore

Dr. Beardmore presented the following projects for discussion/action:

- Water well and easement to well property (K Beardmore) These items were discussed last month and now Dr. Beardmore is asking the Board of Trustees to authorize the College to pursue securing this property which is still in the hands of the Light Trust. Motion: Ned Elkins Second:Mark Cage Nays: 0 Abstain: 0 Bowman, Cage, Elkins, Murrill, and Frintz all voted in favor of the motion to pursue securing the water well property.
- 2) Simulators (M Harris and 5DT) Dr. Monty Harris introduced Paul Olckers and David Sherwood of Fifth Dimension Technologies (5TD). They are participating via Zoom and will answer questions the Trustees may have based on the proposal Dr. Harris shared with them previously. They are proposing simulators for seven machines. All the simulator cabs are universal and can be used on any of the sim bases. The proposal also includes a three-year support plan. The total cost including shipping is \$3,154,000MM.

Motion: Mark Cage Second: Sarah Bowman Nays: 1 Abstain: 0

Bowman, Cage, Elkins, and **Frintz** all voted in favor of the motion to move forward with the 5DT proposal as presented. **Bill Murrill voted against the motion**.

3) Building access (K Volpi and G Martinez) – Dr. Beardmore explained that the building access project was first presented to the Board in March 2023 and was written into the list of Capital Projects in October 2023. Tonight, they are prepared to share details of this project. Gary Martinez said they want a stand-alone system with no ties to NMSU or any other entity. There is outdated hardware that needs to be repaired before it can be changed out. Dr. Karla Volpi explained that one of the issues is the use of metal keys for most of the locks. If a key is lost the lock must be rekeyed which is expensive. Additionally, not all the electronic locks work. She said instructors do not always have the appropriate keys for the classrooms they are using. With an electronic system the instructors' keys could be reprogrammed as room assignments change. An electronic system as already been installed in the Allied Health building.

Motion: Sarah BowmanSecond:Mark CageNays: 1Abstain: 0.Bowman, Cage, Elkins, and Frintz all voted in favor of the motion to purchase the newbuilding access system as proposed by Millennium. Bill Murrill voted against the motion.

4) Energy performance updates (K Volpi, G Martinez, G Haubold, and Ameresco) - Dr. Volpi introduced Daniel Hunter from Ameresco to present an overview of the second phase of the ESPC (Energy Savings Performance Contract) Project Summary. The first phase was the HVAC scheduled to begin on April 22, 2023. The projects include lighting improvements, condenser evaporative cooling, building envelope improvements, high efficiency transformer replacements for all the transformers on campus, and solar covered parking in the West Lot. The goals of this project are to reduce energy consumption, address deferred maintenance backlogs in buildings, ensure that the useful life of the equipment installed is greater than the project payback period, provide "Covered Parking Solar" for SENMC staff and students, guarantee savings of all the projects, and provide a turnkey solution and a robust O&M plan. Second:Mark Cage Motion: Sarah Bowman Navs: 0 Abstain: 1 Bowman, Cage, Elkins, and Frintz all voted in favor of the motion to continue the next phase of the Energy Performance Update. Bill Murrill abstained from voting.

B) Monthly Financial Update – Dr. K. Volpi

Dr. Volpi explained that Anthology had demonstrated an ability to generate many kinds of reports and provided assurance that it would be able to produce statements that conformed to the reporting model used by the State of New Mexico. However, there are no "canned" financial statements-the financial statements must be customized. Dr. Volpi can retrieve data, but it needs to be entered in Access or Excel to create reports. Additionally, she has not received a balance sheet from the audit and therefore could not create a balance sheet because she could not confirm that the numbers were correct. She said they are close to completing the 2022 audit at which time she will be able to give the Board of Trustees a full set of financial statements. She added that it will probably take some time to develop the forms, but this will give the Trustees the chance to look at them and decide if they like the format and the level of detail included in the reports. Dr. Volpi said she will have budgets, quarterlies, and the 2022 audit next month.

C) Service Proposal-Additional Surveys & Utility Investigations (K Volpi and G Martinez)

As the college moves forward with construction projects and other building plans it is important to know what the campus infrastructure looks like (utilities, location of sewer lines, etc.). It is also important to know the location of the college property's boundaries. Nine Degrees Architecture + Design, Inc. will complete the survey which is expected to take two to three months.

Motion: Mark Cage Second: Ned Elkins Nays: 0 Abstain: 0 Bowman, Cage, Elkins, Frintz, and Murrill all voted in favor of the motion to approve the service proposal as presented.

D) Coursedog – (J Garcia and A Dewey)

Juanita Garcia presented a proposal to purchase software from Coursedog. Currently they are using software that assists with scheduling and room utilization. Other products available through Coursedog will allow them to streamline their processes. Coursedog already has integration with Anthology. Registrar Amy Dewey explained they are already using the Academic and Event scheduling module. Coursedog has a catalog and handbooks, and can handle curriculum changes, too. Syllabi can also be handled in Coursedog, and past syllabi can be archived.

Motion: Ned Elkins Second: Mark Cage Nays: 1 Abstain: 0 Bowman, Cage, Elkins, and Frintz voted in favor of the motion to continue to use Courseleaf to the end of its contract and pick up the added elements of Coursedog and go for the three-year deal to be signed by the 15th to get the \$114,000 discount.

12) Executive administration staff reports or comments - Representatives reported on the following:

- A) Dr. Mickey Best, Interim VP of Academic Affairs: Dr. Best congratulated Mika Himel, Online Learning Manager, for the publication of her book, "The Nomad Girl"; Charity Goldsby, lead faculty member in Surgical Technology shared with Dr. Best that SENMC had applied for and received a grant of \$3,000 from the Carlsbad Community Foundation. It will be used to offset the costs of the Spring and Summer 2024 clinical rotations; March's Public Safety Expo included 390 hours of instruction; 2024 NISOD (National Institute for Staff and Organizational Development) Excellence Award presented to Luz Moreno (Director of the Learning Technology Center) and Saul Navarette (Classroom Media Technologist).
- B) Dr. Karla Volpi, EVP, VP of Business and Finance: Nothing to report.
- C) Juanita Garcia, VP of Student Affairs: Registration for Summer and Fall 2024 is underway; Early College High School registration started April 8; they are hiring a student temporary worker (Joel Barrett) to assist with recruitment; an Administrative Assistant for the Registrar's Office will start on April 16; Juanita Garcia, Amy Dewey, and Dr. Narmin Ghalichi, IR Coordinator, will be attending the annual HLC Conference April 13-16; Ferrilli will be on campus soon to work on degree-planning audits; Financial Aid just returned from a state financial aid training; they are currently working on marketing campaigns and Ferrilli will return in June to work with marketing, recruitment, and Admissions on a CRM (Customer Relationship Management); construction in the Admissions Office is tentatively scheduled to begin in June.
- D) Dr. Monty Harris, VP of Workforce Development and Community Engagement: Dr. Harris reported that Community Education had 50 participants in the Spring Break camps and thanked Grants Services for providing student workers to assist during those camps; the summer catalog will focus on STEM and class offerings will include "Inspired by Science", computer coding, and artificial intelligence; Workforce has another start date for the CDL program and will soon begin using the driving range at the mall; people are asking for evening and weekend CDL classes; they are still waiting on the state to determine third-party testing requirements for CDL; close to launching an online learning platform for skilled trades; signed an authorized learning partner agreement with RV

Technical Institute; declared a failed search for the position of Workforce and Community Education Director; productive meeting with the leadership from Los Alamos National Labs and Dr. Harris sees a bright future working with them; the first pre-apprentice electrical training started on April 1.

13) HR Report: Steven Gonzales, HR Director: (report given by K Beardmore) The SENMC employee count is at 276 as of April 3, 2024. There are currently 4 faculty vacancies and 5 staff vacancies. April 2024's Employee of the Month is Diana Campos, Director of Financial Aid.

14) Employee representative comments (optional)

- A) Faculty: Zane Biebelle- Zane distributed pens representing the SENMC Cliff's Honor program which will begin in the fall. Ms. Biebelle will serve as the Director of the Honors Program. The faculty have chosen the recipient of the first SENMC Mountain Lion Pride Teaching Excellence Award but will announce the winner at a later date.
- B) Administrative Staff: None.
- C) Classified Staff: None

15) Board comments:

Trustees commented on the evening's financial expenditures and expressed excitement about the investment in the College's future. Chair Frintz thanked everybody for coming to the meeting.

16) Announcement of next regular board meeting:

Date: May 13, 2024 Time: 6:00 pm Place: SENMC Room 153

- 17) Adjournment Chair Tiffany Frintz adjourned the meeting at 8:20 pm.
- Approved

Sarah Bowman, Secretary

Date

SENMC STRATEGIC PLAN (2022-2025)

Updates for May 2024 in blue

Goal 1: Diversity and Commitment

Hosted Taste of Culture with more than 500 community members attending and a host of college and community volunteers (led by the SENMC Diversity Committee), April 11
Held the Poetry and Jazz Celebration in the SENMC Courtyard with more than a dozen performances (coordinated by the SENMC Diversity Committee), April 23
Held an Open Forum for campus, April 24

Met with the Administrative Staff Leadership Team, April 24

Attended the Pan Asian Culture Celebration Presentation and Book Signing event (SENMC's own Mika Himel), April 29

Goal 2: Enrollment, Retention, and Graduation/Completion

Led the meeting of the Dual Credit Workgroup, April 12

Led the first Spring Assessment Day, April 26

Provided introductory remarks at the Phi Theta Kappa Induction Ceremony, April 27

Met with Early College HS in preparation for new Early College first-year class of 70 students in Fall 2024, May 3

Participated in the Carlsbad Municipal Schools Strategic Planning/Profile of Student Success session, May 7

Goal 3: Community Engagement and Economic Enrichment

Met with Jobs for America's Graduates New Mexico Program Manager Esther Keeton and Employer Engagement Manager Christine Batan (joined remotely by Executive Director Kaity Parent) to plan for a summer program at SENMC in June, April 11

Attended a special called meeting of the Carlsbad Department of Development Board, April 11 Presented the Trades x Technologies Building at Friday Focus (featured speaker), April 12 Accepted the opportunity to host the Legislative Finance Committee June 11-13, 2024, April 19 Hosted the NM Higher Education Department Training for Board members, April 23 Attended Carlsbad Rotary, April 24

Presented on the Future of the USDOE & SENMC Partnership at the US Department of Energy Carlsbad Field Office Offsite Workshop, April 25

Met with Amber Gallup and Dene Shelton, Adult Education leads from the NM Higher Education Department, about the opportunity to develop an integrated education and training program at SENMC (with Misty McCormack), April 25

Attended the Education Partnership of the Permian Basin Energy Pathway Advisory Committee Meeting, May 1

Attended the Carlsbad Department of Development Board meeting, May 2

Assisted at the SENMC Relay for Life, May 3

Hosted American Civil Liberties Union tour (with Board Secretary Sarah Bowman), May 6

Goal 4: Building, Facilities, and College Foundation

Received approval for the Mall Storage Lease by the New Mexico Higher Education Department Capital Outlay Committee, April 19, and the Energy Savings Performance Contract, May 8

Goal 5: Independence of SENMC

Attended the Higher Learning Commission Annual Conference, April 14 Hosted the Higher Learning Commission Focused Visit Team, April 29 & 30

Interim VPAA Report - May 13, 2024 SENMC Board of Trustees

Faculty Scholarship

Dr. Luis Anchondo presented an article at the 22nd International Symposium of Medieval and Early Modern Literature held at the University of Arizona in May 2024.

SENMC Promotion & Tenure cycle UPDATE

The annual application period resulted in 10 faculty indicating their interest in being considered. Two (2) are seeking both Promotion and Tenure while the remaining eight (8) are seeking Promotion only.

Welding Program

The faculty have reviewed and proposed adoption of the Lincoln Electric and National Coalition of Certification Centers (LEEPs-NC3) curriculum:

- A level of proficiency that can directly support welders when they seek to advance their training and career development
- Access to curriculum and learning management resources necessary for benchmarking and standardizing welding performance

LEEPs-NC3 (Stackable certifications) *

SENMC Curriculum

WELD 105 – Introduction to Welding
WELD 105 – Introduction to Welding
WELD 105 – Introduction to Welding
WELD 100 – Structural Welding I
WELD 115 – Structural Welding II
WELD 125 – Introduction to Pipe Welding
WELD 126 – Industrial Pipe Welding
WELD 150 – Pipe Welding II
WELD 130 – Introduction to GMAW (MIG)
WELD 140 – Introduction to GTAW (TIG)
Future curriculum adoption
WELD 130 – Introduction to GMAW (MIG)
WELD 115 – Structural Welding II
WELD 115 – Structural Welding II
WELD 110 – Blueprint Reading
OETS 118 – Mathematics for Technicians
WELD 211 Welder Fabrication

* Lincoln Electric Education Partner Schools in partnership with the National Coalition of Certification Centers.

Workforce Development / Community Ed Report

5/13/24

COMMUNITY ED

The Community Education Program will be offering a full schedule of summer classes, featuring a total of 14 engaging programs tailored for children. Among these offerings, 8 camps will spotlight computer-based curriculum, emphasizing STEM education, coding proficiency, entrepreneurship skills cultivation, and video game development. Additionally, the roster includes camps focused on guitar lessons, theatrical arts, beginning Spanish, culinary classes, and our annual Inspired by Science camp. Each camp will span 1 to 2 weeks.

For adults, the program will offer 11 specialized classes covering a range of hobbies, including ceramics, sock crafting, visual arts, and Zumba fitness. Two computer skills courses—podcasting and disk golf—will also be available, catering to diverse interests within the community.

In response to the current shutdown of the REC Center the Community Education Program has initiated a series of professional development sessions aimed at enhancing the skill sets of REC employees with no cost to them.

Maria met with ConocoPhillips representatives, in plans to deliver professional training for 70 employees.

WORKFORCE

- Waiting for state to inform on Third Party Testing requirements
 - I have received a response and they will schedule a meeting soon

- RV Technical Institute Authorized Learning Partner agreement is signed
 - o Instructors completing requirements
- Pre-Apprentice Electrical Training graduated 4 students on Friday, April 19th.
- Online learning platform for skills training
 - Finalizing details for launch on website
 - OASIS Online Assisted Skills Instructional Systems
 - Please see next pages for details

SENMC Workforce Development

OASIS

Online Assisted Skills Instruction Systems

To be effective, career training must be accessible and must meet the needs of the workers and employers for which it is designed. It is not unusual to experience long wait times for appointments with technicians due to their limited availability. The shortage of qualified workers, combined with unemployment rates consistently under 3% for our area indicate that our challenge in Workforce Development is not limited to bringing unemployed people into the workforce. Additionally, we must focus on providing employed and underemployed workers the skills training needed to advance them within their current careers or to enter a new job field.

Because of this understanding of the local job market, Workforce Development OASIS training programs at SENMC offer the flexibility to acquire in-demand skills in a variety of career paths regardless of employment status. Self-paced online learning allows training programs to be completed around work and household schedules or more quickly with a full-time commitment. It is entirely up to the learner.

Take some time and look through the various learning platforms to discover the numerous options available to help you meet your career goals. Similar programs may be offered on more than one platform, so check out all the choices to see if one works better for your unique needs. You can receive certificates of completion for your work, and you can earn industry recognized certifications as well.

Some of the systems in OASIS require program enrollment to be completed by SENMC Workforce Development. For more information, or to enroll in those programs, please use this form. https://forms.office.com/r/Yx0DAQchwy

If your program of interest is not on this form, enrollment is completed within the system page.

Don't wander in a career desert. Let OASIS refresh your journey to success!

Skilled Trades Training powered by Interplay

Skilled Trades Training is a resource for self-guided learning of skilled trades in an online environment. Simulations that can be experienced on the computer or with the user's virtual reality hardware are included in many courses.

Access to Skilled Trades Training requires payment of a monthly fee, which also includes Skilled Trades Training Certificates of Completion from Interplay. There are additional fees for third-party certifications associated with some programs.

Each course within a program has an estimated time for completion. The actual time to complete a program is determined by the user. The ability to complete a program is dependent on the user maintaining access to Skilled Trades Training for the time the user requires to complete the program. This often means maintaining access for multiple months. Each month of access needed by the user requires payment for that month.

Non-payment will result in the deactivation of user access to Skilled Trades Training. Prolonged deactivation may result in the removal of the user from the system, which results in the loss of

accumulated points and will require re-enrollment to continue in any courses when the user is added back to the system. In the event of removal, progress in the program is maintained if user access is reactivated.

Online Workforce Education Solutions

Getting started is easy! All of our programs have opportunities for national certification, externship placement and/or career support.

- Superior Content in a Convenient, Self-Paced Online Format
- Secure Online Transactions & Payment Plans Available
- Comprehensive Student Materials Shipped Direct to You!
- Extensive Learner Support
- Certification Opportunities
- Optional Volunteer Externship Opportunity
- Career Services & Support

Online Certificate Programs

Southeast New Mexico College, in partnership with ed2go, offers flexible, self-paced certificate programs and personal enrichment courses. Click below to view our catalogs.

Online Fundamental Courses https://www.ed2go.com/senmc/

Online Career Trainings https://careertraining.ed2go.com/senmc/

Tech Career Bootcamps powered by Upright

Get the skills you need to enter a new career in tech. Our career bootcamps are 16-24 weeks and delivered remotely. Every program comes with dedicated Career Services, Career Transition Support, and access to engaged Employer Partners.

- <u>24-Week Software Development Bootcamp</u>
- <u>24-Week UX/UI Design Bootcamp</u>
- <u>16-Week Data Analytics Bootcamp</u>
- <u>16-Week Digital Marketing Bootcamp</u>

With flexible payment options and scholarships that allow students to reach their potential without the stress of finances.

Insurance & Securities Prelicensing Programs

Through a partnership with A.D. Banker, SENMC offers you the chance to jump start a new career through flexible online learning.

Start your path to licensure in Life, Health, Property & Casualty, Personal Lines, or Adjuster Insurance with prelicensing courses approved by each state regulatory body for insurance. Insurance courses prepare students to pass their state licensing exam.

Take your first step in the securities industry by passing the SIE exam and then build your career managing money with additional certifications. Securities courses prepare students for FINRA qualification exams and meet national industry standards.

Register today at https://learn.adbanker.com/SENMC/

Real Estate Pre-Licensing & Mortgage Loan Originator Programs

Through a partnership with The CE Shop, SENMC is proud to provide you with the highest-quality online Real Estate Pre-Licensing, Post-Licensing and Continuing Education courses. These are state-approved, self-paced courses that you can take in the comfort of your own home or anywhere you have internet access. In addition to real estate, our industry-leading, and NMLS-approved, PE courses will teach you the foundational knowledge you need to thrive as a mortgage professional. You're able to pursue your next career move anywhere, anytime.
